## ERRSA Awareness BBQ is a HIT!

On July 12, the Embry-Riddle Resident Student Association (ERRSA) held a BBQ for all students on campus who were interested in who we are, what we do, and how to join.

We supplied drinks, hamburgers, hot dogs, and chips in a local courtyard on campus, and we grilled the meat on a grill on campus.

This informational get-together was such a hit; some current members had to buy more burgers and hot dogs for the par-

ticipants!

Our President, Joanne "Jo" Soliman, and I walked among the students and talked to a few of them about our RSA, explaining some of our programs, our meeting times, and other topics just to get to know some of them.

Even though the rain threatened to ruin the event, it only turned out to be a sprinkling, and we continued through the grilling.

Many current ERRSA members, if not all here

for the summer, attended and helped out, including set up, grilling, "mingling", and buying the much-needed extra food.

The summer is coming to a close, but with everything we've done and all the advertising we did for this program, I'm sure we'll be seeing some of those faces we met at this BBQ in the fall term.

Keep Hoppin', Felipe lovers!

## URSA's Insomniac Breakfast

On Monday, July 24 and Tuesday, July 25 at 9PM, URSA hosted for the second summer in a row the Insomniac Breakfast.

The program, held in the Gemini Community Monday night and the Hercules and Nike Communities Tuesday night, provided a late night breakfast opportunity for summer resi-

dents. Hungry residents had a wide variety of food to choose from, including Dunkin' Donuts, Krispy Kreme, Pop Tarts, Danishes, granola bars, and much more. Orange and apple juice and milk washed the tasty treats down.

A total of over 150 residents participated be-

tween the two nights. The first few residents were able to get a hold of some free URSA shirts and Frisbees. URSA will resume programming during our Welcome Week with 4 programs during the first two weeks of school.
